## COMMITTEE ON PRINTING AND PUBLISHING.

The Committee on Printing and Publishing made the following report, when, on motion, the resolutions attached thereto were adopted:

*To the Right Worshipful Grand Lodge of Free and Accepted Masons of Pennsylvania:*

BRETHREN :

Your Committee on Printing and Publishing respectfully reports that the Proceedings of Grand Lodge for the year 1914 are now being prepared, and will be delivered at an early date.

The edition consists of eight thousand volumes; of these one hundred will be bound in half-morocco.

The work is being done by the well-known publishing house of J. B. Lippincott Company of Philadelphia, and contains besides the picture of the Masonic Temple, the portrait of Right Worshipful Grand Master Brother J. HENRY WILLIAMS, who wrought so faithfully and well during the year 1914, and who is now with the same zeal giving the Grand Lodge the benefit of his best efforts for another year; and also the portrait of Right Worshipful Past Grand Master Brother RICHARD TYBOUT, who presided over Grand Lodge, 1814.

The records of the Grand Lodge will show that the use of portraits in the Proceedings now covers a period of over one hundred years, and notwithstanding this, your Committee has failed to obtain but two portraits, one being that of Right Worshipful Past Grand Master Brother WALTER KERR, a member of Lodge No. 51, who presided over Grand Lodge 1816-1817; and the other, that of Right Worshipful Past Grand Master Brother BAYSE NEWCOMB, a member of St. John's Lodge No. 115, who presided over Grand Lodge 1818-1821. And, as we have only five more portraits of Past Grand Masters to obtain to complete the list to September 25, 1786, when the Grand Lodge of Pennsylvania became in-

dependent, your Committee deems it wise to offer the following resolutions.

*Resolved*, That in the Grand Lodge Proceedings following the year 1914, besides the picture of the Masonic Temple, the edition shall contain only one portrait of either a Grand or a Past Grand Master, instead of two, as heretofore.

*Resolved*, That a steel plate engraving of Right Worshipful Past Grand Master Brother JAMES MILNOR, who presided over Grand Lodge 1806-1813, be procured and appear as a part of the Proceedings of Grand Lodge for the year 1915.

WHEREAS, Brother WILLIAM WILLSON, late a member of Claysville Lodge No. 447, Free and Accepted Masons, departed this life on the 20th day of March, A.D. 1915, unmarried and without issue, having first made his last will and testament, duly probated on the 24th day of March, A.D. 1915, and recorded in the Register of Wills Office of Washington County, in Will Book No. 28, page 265, wherein and whereby he did, inter alia, direct as follows:

“ 6. I give, devise and bequeath to the Right Worshipful Grand Lodge of Free and Accepted Masons of Pennsylvania and Masonic Jurisdiction Thereunto Belonging, for the use of the Committee on Masonic Homes under its control, the sum of four thousand dollars, and I hereby direct that this bequest shall be free and discharged of and from all commissions, charges and collateral inheritance tax.”

*Therefore, Be it Resolved*, That the Grand Lodge of Pennsylvania does hereby accept said bequest made under the will of Brother WILLIAM WILLSON, deceased, and the Right Worshipful Grand Master is authorized and empowered to execute and deliver, on behalf of Grand Lodge, any and all papers

that may be necessary or convenient in the settlement of the said estate, and otherwise to take any action that he may deem proper, in furtherance of said settlement of the said estate, and for the protection of the interest of Grand Lodge therein.

Right Worshipful Past Grand Master Brother GEORGE B. ORLADY, in eulogizing the memories of Right Worshipful Past Grand Master Brother ROBERT A. LAMBERTON and his son, Brother JAMES M. LAMBERTON, presented the articles contained in the list annexed and offered the attached preamble and resolutions, which, having been seconded by Right Worshipful Deputy Grand Master Brother LOUIS A. WATRES, were on motion adopted as follows:

*Right Worshipful Grand Master:*

I have been requested to present to this Grand Lodge the contents of this package, which contains the name of the donor and a descriptive schedule of its contents.

ROBERT A. LAMBERTON was Grand Master of this Grand Lodge during the Masonic years of 1870 and 1871. He was preceded in that office by Brother RICHARD VAUX, and followed by Brother SAMUEL C. PERKINS.

During these three reigns Freemasonry in Pennsylvania was under a heavy stress of controversy, and fortunate for us that its good name was in the custody of such learned, zealous and conscientious leaders. The effect of their wise teaching, accurate defense of its principles and a whole-souled belief in its being a great moral force, gave to Masonic life in this Jurisdiction an impetus that has never been equalled. Their accurate historical research was presented in such a lucid and persuasive manner that it appealed to men of the highest learning; the best of citizenship and the most enthusiastic moralists, so as to induce them to quest a place in our Brotherhood.

It was taught, that "Freemasonry makes no pretensions to be able to save a soul by its teachings, but it does profess to make the rude more refined in feeling and sentiment; to make the avaricious more charitable and less fond of self; to humanize the heart and induce in all within its influences to feel, that as men they owe duties to their fellow men, which no human law teaches and which nothing but the development of universal fraternity can stimulate into action." It assumes the care of the dependent ones with more unceasing effort; it inculcates the purest lessons of morality. Its teachings have always been "Give glory to God" and "confess His Holy Name" to assure "peace, fraternity and good will towards all mankind."

Their addresses to this Grand Lodge furnish the reasons for our origin, and the necessity for our continuing existence. During the administration of Grand Master LAMBERTON fifty Subordinate Lodges were constituted.

The historical research, convincing argument of these Grand Masters, settled forever in this State all controversy with religious denominations, and, as well, our claim to precedent in Masonic life on this continent. All after-discovered evidence has but confirmed their assertions and demonstrated their conclusions.

So preached the Sire—and his eminence as a great scholar, his prominence as President of a famed University, his consistent life, so joined with the fame of his predecessor and successor in office that that period was one of the most inspiring in the history of this Grand Lodge.

Of the Son. How inadequate are words to describe his splendid character! An eminent scholar; an intense religionist; a zealous Freemason, he lived the life he taught and gave to the world an effulgent radiance of a clean mind and a pure heart. His precepts were exemplified in his example; his works but reflected his inner thoughts.

Without abating the fame of any representative of this

distinguished body, he was par excellence the man Pennsylvania's Freemasons could point to with pride as representing the tenets, principles and doctrines this Grand Lodge asserts.

For sixteen years he was a member of the Committee on Correspondence and gave to that important office the pedantic care of the scientist. By reason of his continual correspondence with every Jurisdiction with which we are in affiliation, he soon became the best known Pennsylvania Freemason on this continent, and in the Grand Lodges of the British Isles, and this honor increased with each recurring year. Strenuous to the last degree in maintaining the sanctity of our Ancient Landmarks, Usages and Customs, he was so fair and convincing in sustaining his historical averments in defense of the old work, and our precedence, that all dispute in regard to our merited rank is ended; and that in the words of Brother WILLIAM JAMES HUGHAN, the eminent historian, "Philadelphia is the premier Masonic city of America."

His authoritative analysis of the proceedings in other Jurisdictions furnishes us with the encyclopedic learning of fraternal life, duty and history, and these are accepted by Masonic students the whole world round as the last statement on Masonic law.

His wise counsel was a continuing monitor in aid of disputes with other Jurisdictions, and his clear judgment was always in relief of conflict of decision in the Grand Master's office. He ranked the first in Masonic learning in preserving us from any departure from the ancient laws governing our work and deliberations. He construed literally our creedal declaration "In Freemasonry what is not permitted is prohibited."

So tender and considerate of others was he that he illustrated in his life the oriental proverb, "No evil I'll see, No evil I'll hear, No evil I'll speak of a Brother," that he endeared himself to all who came within the charm of his fel-

lowship. God has taken home His workmen, but their works do follow them.

These were the Brethren whose jewels I hand to you as a messenger from the widow and mother of these eminent members of this Grand Lodge. They were presented to them by appreciative friends and admirers, in recognition of the fraternal services rendered to us. No higher honors have ever been worn by man. They speak of clean minds, pure hearts and unselfish devotion to the principles of this Fraternity as a handmaid to religious thought, for the betterment of humanity, the fellowship of Brethren, the peace of the world and the adoration of God, the Father of all.

I move the adoption of the following:

WHEREAS, Mrs. Annie Buehler Lamberton, widow of Brother ROBERT A. LAMBERTON, Grand Master of this Grand Lodge during the years 1870 and 1871, and the mother of JAMES M. LAMBERTON, a member of the Committee on Correspondence of this Grand Lodge, from 1898 continuously to the date of his death, March 29, 1915, has generously presented to this Grand Lodge the jewels and Masonic clothing which were presented to them by Masonic bodies and personal admirers:

*Resolved*, That this Grand Lodge accepts these mementos of affection, honor and eminent service, in grateful appreciation of the sentiment prompting this donation and with a keen sense of the obligation this Grand Lodge feels for and to these distinguished Brethren; we tender to Mrs. Annie Buehler Lamberton our sincere thanks for these memorials, and extend to her our tender sympathy in the temporary separation from her beloved husband and their son.

*Resolved*, That these mementos be deposited in the Museum of this Grand Lodge and be designated by an appropriate and permanent label.

*Resolved*, That a duly certified copy of these Resolutions be forwarded to Mrs. Annie Buehler Lamberton.

Right Worshipful Deputy Grand Master Brother LOUIS A. WATRES said :

It was not my privilege to meet personally Past Grand Master LAMBERTON, but there are some men whom to know it is not necessary to meet personally. One could not read the addresses, be familiar with the decisions, or know of the work of Past Grand Master LAMBERTON, without feeling in entire accord with the beautiful expressions which have just been read.

So far as the son is concerned, we all knew him and loved him. Both father and son were ornaments to our Fraternity and it is most proper that the jewels they wore should adorn the Library and Museum of this Grand Lodge.

I therefore take great pleasure in seconding these resolutions.

## COMMITTEE ON MASONIC HOMES.

The Committee on Masonic Homes made the following report, when on motion the preamble and resolution attached thereto were adopted.

*To the Right Worshipful Grand Lodge of Free and Accepted Masons of Pennsylvania:*

BRETHREN :

Since the last report of the Committee on Masonic Homes, there have been certain developments and improvements made at Elizabethtown concerning which the Committee feels that the Grand Lodge should be advised.

These improvements have made it necessary for the Committee to expend a larger sum than was anticipated when the report was made. They are numerous in character, but the principal are these:

About a year ago while there was only a hint of the Levis Cottage, the same has now become a fact; just so with the Philadelphia County Freemasons' Hospital, which is also a fact, the contracts for which have been let, while the same is true of the Berks County Home, as the Berks County Brethren have raised the money to proceed with this work, and they are the pioneers of work of this character at Elizabethtown.

These buildings have brought upon your Committee additional expenses. For instance, there is to be a road built to the Hospital which will cost about \$1,500, also a road which will cost about \$2,000. It is also thought necessary to purchase a Monarch road roller, which will cost about \$1,700. It is also thought expedient to erect and equip a blacksmith shop and a machine shop which will cost about \$335. It is also imperative to build a road around the Daman Cottage and it is also necessary to connect these cottages, as well as the Hospital, with the main water system, and not only that, but to carry to these buildings conduits and wires for electric light and power, as well as numerous other things of that sort.

These last items will cost probably \$15,000. The amount yet to be expended for pay rolls and maintenance to the close of this Masonic year will be about \$8,800 or \$9,200 a month. This all figures about \$59,700. Of course had the Committee known what was in sight, it would have required more of Grand Lodge and no doubt would have received it. The amount requested was \$118,000, of which there has been \$80,000 spent, leaving on hand \$38,000, which would make the amount now required by the Committee \$22,000 additional. Of course these figures are merely estimates.

In view of these facts, I am requested by the Committee on Masonic Homes to offer the following preamble and resolution:

WHEREAS during the present year, the growth and development of the Masonic Homes at Elizabethtown has been such that it has been necessary, in order to properly conserve the property, to expend, both for improvements and maintenance of our guests, a larger sum than was anticipated when the last report was filed.

In order to properly discharge our obligations for the fixed charges and expenses up to and including November 15, 1915, it is estimated that there will be required an amount in the aggregate of \$59,700.

In view of the foregoing it is hereby

*Resolved*, That the Committee on Masonic Homes be and they are hereby authorized to make and execute the necessary contracts for work to be done in connection with the Levis, the Berks and the Philadelphia Memorial Hospital Buildings, including the building of roads and equipment incident thereto; and that the contracts heretofore entered into by said Committee in relation thereto be and the same are hereby ratified.

*For Committee on Masonic Homes.*

### COMMITTEE ON LIBRARY.

The Committee on Library made the following report, which was ordered to be entered and filed:

*To the Right Worshipful Grand Lodge of Free and Accepted  
Masons of Pennsylvania:*

BRETHREN:

It is the sorrowful duty of your Committee on Library, first of all, to make mention in this record of the heavy loss to the Masonic Fraternity and to the Committee on Library by reason of the passing away after a long illness of our Brother JOHN L. KINSEY, Past Master of Philo Lodge No. 444. Judge KINSEY was an enthusiastic Mason, an ardent student of Masonic Literature, and a devoted servant of the Grand Lodge in the Committee on Library, which Committee,

with our Brother members generally, mourns greatly his loss, not only because of the closing of his labors, but because of the withdrawal of a companion so manly, so thoughtful, and so useful to the Fraternity. The Right Worshipful Grand Master has appointed to the place made vacant, Brother WILLIAM B. BROOMALL of Chester.

The second year of the great war has raised the wall higher than ever against us in getting important Masonic valuables. The people of this country who own in their families and in a few museums, landmarks of history and heirlooms in Masonic matters, have not been willing to sell them. Our collection during the last year has been enriched by Regalia of Sublime Masonry, Philadelphia Lodge of Perfection, 1781-1789, and Masonic Certificate of late Brother CHAVEAU, of Lodge L'Amenité No. 73, presented through Brother NORRIS S. BARRATT.

We have received the Masonic patent of Right Worshipful Past Grand Master Brother SAMUEL F. BRADFORD, creating him a Deputy Grand Inspector of the Scottish Rite.

We have received the Masonic Regalia of FRANCISCO MADERO, late President of Mexico, presented by FRANCISCO V. DOSAL.

The Masonic Certificate of Brother JEAN PIERRE RIVIERE, a member of the Lodge La Parfaite Union, held in Philadelphia in the year 1798, in the Orient of Philadelphia, under the authority of the Provincial French Grand Lodge La Sagesse at Portsmouth, Virginia.

This latter Certificate is signed by a number of the French Emigres then living in Philadelphia. It is also endorsed by the French Lodge L'Amenité No. 73, under the Grand Lodge of Pennsylvania. These Documents are of great historical importance in connection with the Masonic History of Pennsylvania. We received also a copy of a Certificate of a Royal Arch Chapter which was established at the same time in Philadelphia under the same authority.

The painting of Wise's Tavern in Alexandria, Va., wherein WASHINGTON accepted membership in Lodge No. 39, under the registry of the Grand Lodge of Pennsylvania.

A replica of the Past Master's Jewel worn by Brother GEORGE WASHINGTON, the Jewels, Books and Regalia of Columbia Mark Lodge No. 91, a large Silver Loving Cup from St. John's Commandery No. 4, Philadelphia.

The Masonic Jewels of the late Right Worshipful Past Grand Master Brother ROBERT A. LAMBERTON.

Templar Medals from Brother A. HOWARD THOMAS.

Noteworthy additions to the Library were a copy of our Philadelphia City Directory 1797, Davies Account of Philadelphia in 1794, and Webster's celebrated speech before the Supreme Court at Washington, in his attempt to break the Will of Stephen Girard, also two old Oil Paintings, one of the late WILLIAM B. SCHNIDER, for many years Tyler of the Grand Lodge, and WILLIAM H. ADAMS, Grand Secretary from 1842 to 1866.

From the late Brother JAMES M. LAMBERTON, we have received 380 books for our Library.

During the present year there have been added many Books, Pamphlets and Manuscripts to our Library to the number of 618 pieces, and over 445 miscellaneous subjects for our Museum and Archives.

On behalf of the Committee, I am pleased to inform the Grand Lodge that a Masonic volume was published during the past year, under the direction of the Committee on Library, the compilation of which required indefatigable search and care in preparation by our Librarian, Brother JULIUS F. SACHSE. This volume embraces matters never before published, such as the Washington Masonic Correspondence as found among the Washington Papers in the Library of Congress. This volume is illustrated with portraits and fac-simile reproductions of both the addresses to WASHING-

ton and his replies, and in some cases fac-similes of the original certificates of his replies are given, showing the corrections and alterations, prior to the writing of the clear copy.

It is intended to issue during the present Masonic year from work now in progress, one volume of the Ancient Scottish Rite Documents in the Archives of the Right Worshipful Grand Lodge of Free and Accepted Masons of Pennsylvania, with introductions and annotations by the Librarian. Much of this work is now in press. It will be a work of unusual value with the Masonic student, as it gives the complete history of the Philadelphia "Lodge of Perfection," which was held in Philadelphia from 1781 to 1789, and shows that Philadelphia was the actual centre where "Perfect and Sublime" Masonry was revived on the western continent. Subsequently, it became the active Masonic body now known as the "Ancient and Accepted Scottish Rite."

It is a pleasure to inform the Grand Lodge that the overcrowded spaces occupied by the Museum and the Library have been more popular and useful to the members and visiting strangers than ever before. In one single delegation of German Masons from the City of New York, there were 400 members visiting in a body. At the 62nd Conclave of Knights Templar, held in Philadelphia, the Library and Museum was a centre of meeting and of pleasure to a vast number of persons.

The registering of visitors was an entirely voluntary matter and not urged upon any one. An estimate was made by the officials attending who furnished for us the report that 10,532 people visited during the last year, about half of whom wrote their names on the register.

The lack of opportunity to secure important pieces for the collection of the Grand Lodge has been a matter of concern to your Committee, but the impossibilities were not to be surmounted under existing conditions. We have only to

add that we shall take advantage, as early as possible, of many things which we think will be of interest and value to our unique collection.

It is my duty to add that we have paid over to the Grand Secretary, from the sale of Books and Albums previously published, the sum of \$512.86.

Our expenditures for the year were as follows:

|-------------------------------|------------|

## COMMITTEE ON MASONIC HOMES.

The Committee on Masonic Homes made the following report, which was ordered to be entered and filed:

*To the Right Worshipful Grand Lodge of Free and Accepted Masons of Pennsylvania:*

BRETHREN:

In the preceding annual reports of the Committee on Masonic Homes will be found complete references to the purpose, scope and fundamental effort in connection with the work at Elizabethtown, which is so near to the heart of Grand Lodge and which in such a marked degree reflects the true spirit of Masonry. Therefore it is that this, the seventh annual report of the Committee, which is required by the Ahiman Rezon, shall be confined to the details of operations for the fiscal year ending November 15, 1915, and to recommendations concerning the future welfare of the Homes.

| Guest House Number One . . . . .  | 25     |
| Guest House Number Two . . . . .  | 29 245 |

The average age of the adults is seventy years.

There are 130 Lodges and 42 counties represented by guests, as per Schedule C attached.

The problem of receiving and of caring for 245 guests, representing, as they do, varied walks of life, is one not free from complications; although it is proper to say that many of the difficulties with which admissions to the Home were confronted in its earlier history have been overcome.

A number of the men and women have duties assigned them; and it is gratifying to note that almost without an exception the duties to which they are assigned are cheerfully performed.

Some of the guests who regained their health and vigor have been enabled to withdraw to useful occupations.

The environment and atmosphere of the Homes are such as preëminently make for the happiness and contentment of our guests. At Elizabethtown, Nature is generous and open-handed. Many of her beauties are there enjoyed that are denied the dwellers surrounded by brick and concrete. There are few places within our Commonwealth where the sky is painted with more gorgeous hues. The over four miles of excellent roads bring within easy access the pastures and the hills, which, in their season, are clothed with the greatest variety of flowers and foliage. Here truly may be enjoyed the great, revivifying message of God's out-of-doors.

VISITORS.

During the year there were 18,910 registered visitors, who represented the following countries and states: England, Scotland, Ireland, New Zealand, Canada, Delaware, Wiscon-

sin, Michigan, Kansas, Virginia, West Virginia, Florida, District of Columbia, Missouri, New Jersey, New York, Connecticut, Iowa, Illinois, Indiana, Ohio, Texas, Arizona, Vermont, Colorado, and California.

Sixteen of our Lodges visited the Homes and there were twelve excursion parties between May 2nd and October 20th.

## CONSTRUCTION.

### DAMAN BUILDING.

The John Henry Daman Memorial Building, which was referred to in the last annual report, was finished on June 7th, 1915, and on that day was occupied by fifty-six of our guests. This relieved the overflow in Grand Lodge Hall and afforded added comfort and convenience, not only to those who were assigned to this beautiful and commodious cottage, but to the overcrowded occupants of Grand Lodge Hall as well.

### LEVIS BUILDING.

On July 16th ground was broken, with appropriate ceremonies, for the erection of the Paul L. Levis Memorial Building. In the address which Brother J. HENRY WILLIAMS, the Grand Master, delivered upon this occasion, he congratulated Brother LEVIS on his gracious act in meeting during his lifetime the great need of his less-fortunate Brethren.

Competitive bids were called for and on the 6th day of July, 1915, the contract for the completion of this building was awarded to Pomeroy Construction Company of Philadelphia. Work was begun on August 4th and on September 15th the corner-stone was laid. At this ceremony Brother PAUL L. LEVIS, the generous donor, was present and made brief and appropriate remarks.

### PHILADELPHIA MEMORIAL HOSPITAL.

Ever since the opening of these Homes in 1910, the necessity of hospital facilities has become more evident day by day. Having recognized this great need, the Master Masons of

Philadelphia, led by a committee filled with enthusiasm and zeal, raised the necessary funds which warranted them in tendering to Grand Lodge a hospital to be called the "Philadelphia Freemasons' Memorial." It was planned to build the hospital in three units, money amounting to \$40,000 having been paid into the Grand Lodge treasury for the specific purpose of the first unit. Ground was broken on August 10th, 1915, and on September 29th the Grand Master, assisted by the Grand Officers, laid the corner-stone in the presence of over three thousand people.

An interesting part of the ceremony of laying the corner-stone was the depositing within it of a "Book of Gold," which contained a page for each of the eighty-one Philadelphia Lodges and the names of all the contributors to the fund, which now amounts to about \$55,000.

Right Worshipful Grand Master, Brother J. HENRY WILLIAMS, who delivered the address upon this occasion, said in part:

"This building to be erected is the first of three units planned and made possible by the contributions of my generous Brethren of the city of Philadelphia. Upwards of \$52,000 has thus far been deposited in the bank, representing the gifts of 11,000 Brethren. As a free-will offering, this building is to be consecrated to the relief of suffering humanity, and in behalf of the contributors I make this invocation to the Father of us all: 'May all who enter here find rest and hope within.' Our ceremonies in connection with the laying of this stone are not novelties to dazzle or deceive, nor intended to gratify pride or manifest power. As our Fraternity received them, so they have remained until the present. The symbolism of the corner-stone, when laid with the Masonic ceremonies, is full of significance. In its form it must be level and perfectly square on its surfaces. The square is the symbol of morality; the plumb, of rectitude; and the level teaches that great lesson of equality existing among the members of

the mystic tie. As to its location, it lies between the north and east, the places of darkness and light. Its position thus symbolizes our progress from darkness to light, and from ignorance to knowledge. The permanence of the corner-stone, lasting after the building into which it was placed has fallen into ruin, reminds us that when the mortal body passes into decay there is yet within us that divine spark of immortality which, surviving the tomb, rises triumphant and eternal."

#### BERKS HOME.

In accordance with an agreement entered into by the Brethren of Berks County and the Committee on Masonic Homes, as set forth in the annual report of 1912, plans and specifications for a Berks Home Building were prepared by Brother CALVIN JAMES YOUNG, Architect, of Reading, and the contract was awarded to Brother ADAM P. SPATZ of Wernersville, for \$20,697. On May 6th, 1915, ground was broken for this new home and the corner-stone was laid on July 16th. Brother EDWIN A. MOORE, of Chandler Lodge No. 227 of Reading, delivered an interesting address at the laying of the corner-stone.

It is hoped that the Berks Home will be ready for occupancy early in the spring of 1916.

#### NEW PASSENGER STATION.

On July 12, 1915, the Pennsylvania Railroad Company opened its new passenger station opposite the main entrance to our grounds. The station is modern in every respect, and its long platforms and convenient arrangement will adequately provide for the large number who visit the Homes.

#### ROADS.

Beginning at the western terminus of the main boulevard, a garden road was excavated as far as the Dairy Barn, a distance of 2,600 feet, and a Telford-Macadam road laid thereon.

It was also found necessary to build a road from the

western terminus of the main boulevard to the site of the new hospital.

A new macadamized road, running from the Ridge Road, was constructed to the cemetery.

#### CEMETERY.

The cemetery has been improved during the year, and it now contains a plot of ground 62 feet square. Each of the eleven mounds now in the cemetery has been provided with a Westerly Rhode Island granite marker containing the name and age of the deceased, and, in the case of a Master Mason, the number of the Lodge of which he was a member. Schedule D contains a list of those who have been interred in this cemetery.

## IRRIGATION SYSTEM.

The Skinner system was installed in the vegetable garden, covering  $5\frac{1}{2}$  acres, at an expense of \$1,575.98. This investment will practically insure to the Homes a good vegetable crop during the dry season.

## FARM EQUIPMENT.

We added to our farm equipment, horses, mules, implements, etc., amounting approximately to \$3,000, and in addition thereto have purchased 20 cows, thereby filling the capacity of our Dairy Barn.

The Committee again acknowledges its indebtedness to Hon. George A. Billings, of the Department of Agriculture, Washington, D. C., for his careful inspection of the farms and for his timely and valuable suggestions. In his report to the Committee he notes the marked improvement of the farms and sets forth his commendation of the act of the Committee in abandoning tenant farming. The program mapped out by him is being followed as relates to the caring for the soil and the rotation of crops.

In this connection, it is gratifying to state that the most talented experts, not only in our State, but in the United States, have freely offered their counsel and advice along the different lines of work which are being carried on. The noble and willing spirit which prompted the invaluable services that have been rendered is fully appreciated.

#### FINANCIAL STATEMENT.

After the fullest deliberation and very best thought, Grand Lodge, twelve years ago, entered into the consideration of the vast work of caring for our people. The growth and development have exceeded our most sanguine expectations. The field of usefulness which has been brought to view is larger than was anticipated. While at the beginning doubts were expressed as to whether Grand Lodge Hall would be filled by guests, we now find that not only Grand Lodge Hall is filled to overflowing, as are Guest Houses numbers One and Two, and the Daman Cottage, but we have a waiting list which will rapidly fill the Levis Cottage and the Berks Home. In meeting the needs of the Homes, the Committee has endeavored to expend wisely the funds entrusted to it.

The receipts and disbursements for the year are as follows:

## CONCLUSION.

Grand Lodge, we are sure, takes pleasure in contemplating this cluster of Homes as the full flower of its noblest effort, planted in love, nurtured in constancy, refreshed by the gentle dews of thoughtful and tender attention, and developed in the sunshine of unselfishness.

Here, apart from the shock and tumult of existence, the heart may throb with no disquieting alarms to jar its perfect rhythm. Within the shelter of this Masonic Garden of Con-

\* It is proper to state that this estimated item is the gross expenditure on account of the farms and no deductions have been made on account of probable revenue from the farms. The item includes landscape gardening and beautifying the property.

It is also proper to further state that thus far there has been no net revenue from the farms, which condition, by proper care and judicious management, we hope to overcome.

tent, the aged may rest in comfort at the close of the day and the young may take hope and gather inspiration for the morning.

Age and youth alike are beautiful. We cherish both here with ties of tenderness, the one coming in from the long road upon which the other is preparing to enter. As our guests, they are entitled to our solicitous attention; but they are more than guests—they are members of our family and therefore have a close claim on our affections.

We shall best prove ourselves men and Masons by our devotion to the splendid principle that has here taken root and flourished. As it shall continue to flourish with the years, so shall our merits deserve to increase. Thus may perfection unveil itself with time in endless achievement, whose highest aim shall be never to cease doing good.

The securities left by the decedent, with but few exceptions, were retained by the Executors, and the award was based upon the valuation placed upon those securities in the Inventory and Appraisement filed in the Orphans Court.

On the 4th day of November, A.D. 1915, there were turned over to Grand Lodge, and the receipt of the Right Worshipful Grand Secretary taken therefor, securities amounting to \$136,899.36, there having previously been paid in cash \$1,213.25, making the total \$138,112.61, as per schedule hereto annexed.

Since the filing of the account of the Executors, other items of income have been received and paid to the Grand Secretary, the above figures including only income received by the Executors previous to filing their account.

The sum of Twenty-nine Thousand Dollars was retained by the Executors to pay various legatees supposed to be residing in Germany. When the Executors have had an opportunity to reach these legatees and find how many of them are living, there will be a further accounting should the said sum prove more than sufficient.

There are two pieces of real estate not yet disposed of and not represented in the account, from which Grand Lodge may expect an additional distribution, as soon as it can be sold.

Respectfully submitted,

THOMAS McCONNELL, JR.

## ADDRESS OF GRAND MASTER.

Right Worshipful Grand Master Brother J. HENRY WILLIAMS addressed the Grand Lodge as follows :

*Brethren of Grand Lodge:*

We meet in Annual Grand Communication on St. John the Evangelist's Day, according to our Ancient Custom and in obedience to the mandate of the Ahiman Rezon. It is the appointed time to review the work of the year just closing, to install the Grand Master of Masons in Pennsylvania and Masonic Jurisdiction Thereunto Belonging, for the Masonic year which begins this day, and to offer our devotion to God, to pledge again our fidelity to our country and to reaffirm our belief in the principles of this Fraternity which is ever working for the unity of the Brethren and the benefit of mankind.

## DEATHS.

As we teach the immortality of the soul, it is fitting that we should bear testimony to the worth of those who, having wrought with us in the vineyard of life, now rest from their labors.

Brother MARK RICHARDS MUCKLÈ, Past Master of Hermann Lodge No. 125, for 24 years Chairman of the Committee on Printing and Publishing, having previously served 16 years on the Committee on Library, died March 30, 1915, full of days and honor. He was a man of marked business ability, abundant charity and overflowing good fellowship. We miss him as a very dear friend.

Brother JAMES M. LAMBERTON, Past Master of Perseverance Lodge No. 21, Chairman of the Committee on Correspondence from 1899, died on the 28th day of March, 1915. A man of letters, conscientious in the performance of duty, devotedly attached to this Grand Lodge, and justly proud of its achievements and loyal adherence to the Ancient Landmarks of the Craft.

Brother JOHN L. KINSEY, Past Master of Philo Lodge No. 444, member of the Committee on Library from 1907, having previously served as Junior Grand Deacon in 1903, Senior Grand Deacon 1904 and 1905, and District Deputy Grand Master during 1906 and 1907, died January 23, 1915.

Although not made a Mason until late in life, enjoyed to the full its humanizing influence. He was a genial companion, and an eloquent speaker who brought to us many gems of thought.

Brother GEORGE W. SPIESE, Past Master of Stephen Girard Lodge No. 450, one of the Trustees of the Title to the Masonic Temple and other Real Estate of Grand Lodge, died September 8, 1915. One of those quiet people who unobtrusively do their work—but do it well. A firm friend when once he gave his friendship.

Brother SAMUEL W. WRAY, Past Master of Union Lodge No. 121, a Trustee of the Maxwell Sommerville Bequests, having previously served for fifteen years as Private Secretary of Grand Masters, prior to which he served on the Committee on Temple for twenty-three years, died October 6, 1915. His work in the Grand Master's office gave him a wide acquaintance, and he was well known to the members of the Craft in this Jurisdiction.

Brother GEORGE W. MACLAUGHLIN, Past Master of Solomon's Lodge No. 114, a Grand Chaplain for upwards of 23 years, died December 10, 1915. He was a clergyman in the Methodist Church and was for many years connected with the Seamen's Mission.

The various Charity Funds lost some of their faithful workers:

Brother WILLIAM J. MILLIGAN, Past Master of Potter Lodge No. 441, an Almoner of the Grand Lodge Charity Fund.

Refused, after consultation with the Grand Lodge Officers, to grant a Warrant for a new Lodge at Prosperity, owing to its being a small place, with no railroad, and only a few petitioners.

Decided that a Syrian, not able to speak and understand the English language, is not properly qualified to present a petition for initiation and membership to a Lodge in this Jurisdiction.

Decided that a student attending school in Pennsylvania, whose parents reside without this Jurisdiction, and who has just attained his majority, cannot present a petition for initiation and membership to a Lodge here, he not having been a resident for one year, and neither of his recommenders having known him for one year.

Directed the Secretary of Warren Lodge No. 240, not to furnish information requested as to the standing of a member in said Lodge, to the Secretary of a Chapter of the Order of Eastern Star, and admonished him to govern himself according to the decisions of my predecessors.

Decided that our Guests at the Homes must not become

members of the Order of the Eastern Star, and further directed that certain activities in this connection cease immediately.

Decision No. 716 in the Digest of Decisions says:

“If a petition for initiation and membership is withdrawn . . . the petition is handed to the petitioner, and notice of the fact must be entered upon the Minutes of the Lodge.” 1872.

I have reversed this decision. The petition is the original document upon which the Lodge bases its action. It is signed by the petitioner; it is the best evidence of the fact that he did so petition the Lodge; and it should be filed among the papers of the Lodge.

#### NEUTRAL TERRITORY.

I declared the Borough of Kopple, Beaver County, neutral territory between Ellwood Lodge No. 599, at Ellwood City, and Meridian Lodge No. 411, at Enon Valley.

I declared the Township of Penn, Allegheny County, neutral territory, and that petitioners residing therein may apply to Verona Lodge No. 548, Valley Lodge No. 613, Orient Lodge No. 590, Beta Lodge No. 647, or Swissvale Lodge No. 656, without inquiry of any other Lodge.

I declared New Cumberland, Lemoyne, Wormleysburg, West Fairview, and Washington Heights, neutral territory as between the Lodges located at Harrisburg and West Shore Lodge No. 681, located at Camp Hill, and petitioners residing in the above-named places may present their petitions to any of the Lodges at Harrisburg or the Lodge at Camp Hill, without inquiry as to the nearest Lodge.

At many of these visitations degrees were conferred, and when done it was with that uniform excellence and accuracy now prevailing in this Jurisdiction. At each of these visitations I addressed the Brethren.

We were courteously received, hospitably entertained and shown the true spirit of Fraternity. This was especially so in the Grand Lodges of New York, New Jersey and Delaware.

#### MASONIC HALLS.

There is prevalent a spirit of activity among the Brethren in many parts of the Jurisdiction looking to the building of Masonic Temples and Halls. Among others, it is with pleasure we note one at Wilkes-Barrè to cost upwards of \$100,000. A four-story building of brick and terra cotta, 54 feet in width and 120 feet in depth, so arranged as to give an abundance of light and ventilation. The corner-stone will be laid St. John the Baptist's Day, June 24, 1916, and it is expected it will be completed in time for dedication on St. John the Evangelist's Day following.

A remodeled building at Wayne will soon be occupied by Wayne Lodge No. 581, as its permanent home.

The thought of owning one's home is a good one, but care should be exercised and good sound business judgment used before engaging in the undertaking, so that the project when started and completed may not only be successful but permanent.

## SCHOOLS OF INSTRUCTION.

Two Schools of Instruction have been established during the year, one at Williamsport under the direction of Brother S. CARBON WOLFE, District Deputy Grand Master, and the other with a membership of over 300 at Pittsburgh, to be known as the North Side School of Instruction, under the direction of Brother JAMES McLAREN, District Deputy Grand Master.

The Principal Instructor of the Work, Brother WILLIAM B. JOSLYN, reports the usual interest in the work in the Temple School of Instruction at Philadelphia. On my visitation to this school, March 2, 1915, the three degrees were correctly rehearsed before the Grand Officers in the presence of a very large number of the Brethren.

## DISTRICT DEPUTIES.

Again I record my appreciation of the labors of the District Deputy Grand Masters. Almost uniformly their work has been satisfactory and beneficial to the Craft. Almost all of them read and understand the Ahiman Rezon and are familiar with the Digest of Decisions. They have saved the Grand Master almost all unnecessary labor.

## ELECTIONEERING.

For many years Grand Masters have called attention to the evils that sometimes creep into our midst through what is termed (but really misnamed) "political methods" in our elections. The timely admonition of a year ago brought the proper result in the elections in this Grand Lodge and also in the subordinate Lodges. My direction was cheerfully acquiesced in and Brethren were not compelled to run the gauntlet of ballots to reach the Lodge room.

The use, however, of printed cards, letters, and papers,

and the opening of headquarters for this or that Brother who aspires, as he has the inherent right to do, for the approval of his Brethren in his desire for office, has been so often condemned that it seems incredible that those who run cannot or will not read.

#### EDICTS.

Special attention is called to the edicts hereinbefore referred to. They may be divided into three classes:

*Those relating to the healing of unlawful actions by the Lodge:*

These arise generally in those Lodges which meet on a certain day on or before, or after the full moon,—and the error arises from looking at the wrong calendar. If all Lodges met at a fixed week-day, first, second, third or fourth, these errors would not creep in. It is earnestly recommended that stated meetings of Lodges be so fixed in the By-Laws.

*Those relating to petitioners:*

I have ruled that a petitioner must be a permanent resident of this State for at least one year and that his recommenders must know him, one of them for the full period of a year and the other for a sufficient time; not merely the chance acquaintance or the being introduced simply for the purpose of recommending. The Lodge places faith, as it has the right to do, upon the recommendation, but it also has the right to have the recommender certify to the truth—that he actually does know the petitioner.

*Those relating to persons unlawfully made in other Jurisdictions:*

These give the most trouble and cause much unnecessary friction between Jurisdictions. They arise from the different

views held in different Jurisdictions. It is not in our province, nor is it our intention, to criticize. The only thought is to see if a way may be devised by which trouble can be avoided.

We reaffirm our belief in the proposition stated a year ago:

That a petitioner may apply where he chooses; that when he has so chosen his choice is fixed and permanent and he is and remains the property of the chosen Lodge until it releases him.

That when a resident of this Jurisdiction applies in another, as he may, the proper inquiry must be made by the Grand Master of that Jurisdiction through the Grand Master of this. Our practice is to refer the inquiry to the Lodge nearest the residence of the petitioner, to ascertain the Masonic fitness of the petitioner. There is no other inquiry.

In some places the ruling is different from ours. There the inquiry seems to be "Why should he not be compelled to join us?" "Why should we let him go elsewhere?" Upon this thought the inquiry is answered in the negative, which simply means to them "We prefer to keep the petitioner at home," while with us it means "He is unfit to be made a Mason."

To meet these divergent views our theory that the petitioner has the right to go where he chooses must be modified, and it has been so modified for the sole purpose, and that alone, of avoiding friction with our neighbors. Hence, hereafter no petition will be received from a resident of another Jurisdiction and no one not a resident of Pennsylvania for the full period of one year, will be permitted to petition one of our Lodges; this will obviate the necessity of our making inquiry from any Jurisdiction. The converse of the proposition will probably ensue that no waivers will be granted by us.

This in special cases may work a seeming hardship, but it is better for the individual petitioner to wait, than that we should have disagreements with our neighbors.

So that there may be no misconception of our position I will state the proposition:

I believe each Grand Lodge is sovereign within its own borders. It is a court of competent jurisdiction; its judgment is final and binding upon all others, where the party and subject-matter are within its geographical limits; that no Court or other Grand Lodge has the right to question or reverse that judgment and that it is binding upon all others and should be given full faith and credence.

GEORGE WASHINGTON MEMORIAL ASSOCIATION, ALEXANDRIA.

From a report made by Brother NORRIS S. BARRATT, Past Master of Lodge No. 2, whom I appointed to represent me at a meeting of the Association, the following facts may be gleaned—viz.: The fifth annual convention of the George Washington Masonic Memorial Association held at Alexandria, Virginia, February 21, 22 and 23, 1915, was presided over by Brother THOMAS J. SHRYOCK, Most Worshipful Grand Master of Maryland, President of the Association, and was attended by a number of Brethren. The object of this Association is the collection of a fund for the erection and maintenance of a Masonic memorial to George Washington. This memorial is to be built at Alexandria. The fund to be raised is \$100,000, of which \$43,000 have been paid in. There are yet to raise \$57,000. The method of getting this fund is for individuals to become charter members upon the payment of \$100 each. Sixty-four of these memberships were allotted to this Jurisdiction; 11 only have availed themselves of the privilege; 53 are yet to be taken. Some Jurisdictions have made contributions from their funds. It is a source of regret that owing to the many demands upon us for charity within our borders that we are not in a position to use our funds for the purpose, but there is nothing to deter the individual members from taking part in this worthy object of perpetuating the memory

of Brother GEORGE WASHINGTON, whose Masonic history is so closely allied with that of this Grand Lodge. I therefore earnestly commend this project to the members of the Fraternity in Pennsylvania with the wish that our quota of charter memberships may soon be filled.

#### MASONIC HOMES AT ELIZABETHTOWN.

As the years go by, the utility and beauty of our Homes at Elizabethtown will become more and more apparent.

The voice of thanksgiving and appreciation ascends in grateful pæans to the Great Architect of the Universe for the manifold blessings we and ours receive. The thought, the ideal, the inception was sublime; the fruition so acceptable and beneficial, that we would wonder it was not accomplished before, but that we know the reason why.

*The John Henry Daman* Memorial Building referred to by me a year ago was finished, furnished and occupied by 58 of our Brethren on June 7, 1915.

*The Berks Home*, the funds for which were raised by our Berks County Brethren, had its corner-stone laid with Masonic Ceremonies on July 16, 1915, is now under roof and will be finished ready for occupancy early in the coming year.

*The Paul L. Levis* Memorial Building was made possible by the self-sacrifice of Brother PAUL L. LEVIS, of Robert A. Lamberton Lodge No. 487, who gave to Grand Lodge for this purpose \$33,300.

We rejoice that he is with us to-day, and will see the building completed in all its parts.

The corner-stone was laid by me on September 15, 1915. The building is well under way and should be finished in time for occupancy prior to the first of June of the coming year.

#### PHILADELPHIA FREEMASONS' MEMORIAL.

The Master Masons, members of the Lodges in the city of Philadelphia, have raised thus far upwards of \$55,000 for

hospital purposes, and the corner-stone of the first of the group of buildings, specially designed, was laid by me in connection with the Officers of Grand Lodge on the 29th day of September, 1915, in the presence of a large number of the members of the Fraternity.

In the corner-stone was, with other valuable and interesting articles, deposited "The Book of Gold," containing the names of over 11,000 Brethren who prior to that date had contributed to the fund. These names are classified by Lodges. The amount contributed by each is not named. A duplicate of this book with the names of all of those contributing will be kept in this Temple for future reference.

A pleasing feature of the corner-stone laying was the offer of a contribution of one thousand dollars by a committee representing the Ladies' Auxiliary of Lu Lu Temple Band.

It is needless to add that the Hospital Committee at once accepted.

Since then the committee has received a contribution of \$100 from the Ladies' Club of Philadelphia Commandery No. 2, Philadelphia.

#### ALLEGHENY COUNTY CONTRIBUTION.

A number of the Brethren of Allegheny County met at the Homes, May 31, 1915, and then and there pledged the Grand Master that they would raise in their County \$90,000 for the erection of Cottages at the Homes. In connection with this commendable project and in furtherance of the same I visited St. John's Lodge No. 219, at Pittsburgh, where there were present about 1200 of the Brethren.

The first contribution towards this fund, amounting to \$1500, has been received from Hailman Lodge No. 321, and is held by the Grand Treasurer in a special deposit.

I sincerely trust that my successor will be privileged in the year 1916 to lay the corner-stone of at least one of these cottages.

## LANCASTER COUNTY CONTRIBUTION.

Shortly after the Homes were established at Elizabethtown the Brethren of Lancaster County voluntarily raised upwards of \$15,000 towards the establishment of a permanent water supply. Recently it was suggested to them that they have a more visible monument or memorial, and with the consent of this Grand Lodge, upon the recommendation of the Committee on Masonic Homes and the Committee on Finance, these Brethren are engaged in doubling the amount heretofore raised by them and paid to Grand Lodge. When this is accomplished a cottage will be erected as a memorial to the Brethren of Lancaster County.

I desire to make a permanent record of the fact that our Brethren in Lancaster County have upon all occasions, particularly those of a public nature, been ever ready by their presence to assist the Grand Master and the Committee on Masonic Homes.

## GROEZINGER BEQUEST.

Brother GUSTAV GROEZINGER, member of Lodge No. 43, who departed this life November 5, 1915, devised to us his home on Marietta Ave., Lancaster, to be sold by us, and a memorial building of some character erected at Elizabethtown. Grand Lodge has this date accepted the devise and prompt action will be taken to carry into effect the wishes of our late Brother.

## THE FUTURE.

With the increase of our family and our buildings there will be a corresponding increase in the cost of maintenance. This is inevitable, but none should hesitate on this account so long as there remains one dependent Mason not provided for.

The incomes of the Henry Krug Bequest, the Charles Jackson McClary Memorial Fund for Orphan Children and the Stephen Taylor Bequest are by the direction of the donors to be applied for this purpose and doubtless, as time goes on, other bequests will be made for the same purpose.

In the two years just closing \$225,500 of our debt has been cancelled. There is now outstanding \$506,500 of the Masonic Home Loan, of which upwards of \$100,000 will be paid during the coming year.

Our membership is gradually awakening to the importance of this great work. The example of those who have done, may lead others to do something for so worthy an object as that of caring for their dependent Brethren, their wives, widows and orphans.

#### MASONIC HOME CORPORATION IN PHILADELPHIA.

In 1908 Proceedings (page 52), Grand Lodge by resolution directed the Committee on Masonic Homes to confer with the Masonic Home of Pennsylvania.

In 1909 Proceedings (page 89), may be found a voluminous report, by the Committee on Masonic Homes, of what was done in pursuance of such direction, and a resolution offered that the Committee be authorized to continue the negotiations. This resolution was adopted by Grand Lodge.

In 1912 Proceedings (page 44), the Committee on Masonic Homes again reported and a resolution was adopted agreeing to unite all the Masonic Homes in Pennsylvania under the care of Grand Lodge. In this resolution Grand Lodge agreed to assume every liability and every responsibility in connection therewith and pledged the full faith and credit of this Grand Lodge to carry into effect such a union of homes.

In September, 1913 (Proceedings, page 50), a committee of nine Brethren was appointed to confer with the Board of

Managers of the Masonic Home of Pennsylvania (corporation) "in relation to combining and forever uniting the said corporation to and with this Grand Lodge, an unincorporated association, for the purpose and to the end that all Masonic charities in this Jurisdiction shall be under the exclusive direction, management and control of this Grand Lodge of Free and Accepted Masons." The committee appointed by the resolution consisted of the Grand Master, Deputy Grand Master, Senior Grand Warden, Junior Grand Warden and Brothers GEORGE S. GRAHAM, ABRAHAM M. BEITLER, GEORGE C. BURGWIN, MURDOCH KENDRICK and THOMAS D. FINLETTER.

This committee reported to Grand Lodge June 3, 1914 (Proceedings, page 28), reviewing the previous action, and made a number of recommendations for the consideration of the Masonic Home of Pennsylvania.

"Grand Lodge agrees to the appointment by the Grand Master of a committee of three members, who shall be residents of Philadelphia and shall under the direction of Grand Lodge conduct the Home or Homes on North Broad Street, until such time as Grand Lodge itself determines that either or both of said Homes shall be closed.

Grand Lodge agrees to assume all the obligations of The Masonic Home of Pennsylvania, both financial and otherwise, and as far as possible or reasonable to maintain either one or both of the Homes on Broad Street as a residence for those who at present reside there.

Your committee believes that with the consent of those interested in the reversionary interest of the property occupied by the William L. Elkins Orphanage for Girls, the members of Grand Lodge and the Fraternity resident in Philadelphia and its vicinity may assist Grand Lodge in maintaining the Home there, either solely for orphan girls or boys, or other worthy persons,

and that Grand Lodge should not bind itself, nor should The Masonic Home of Pennsylvania demand any specific time for closing the Homes in Philadelphia, nor that either or both of the Homes should not be maintained in Philadelphia, if future conditions warrant such action, but this is to be determined solely by Grand Lodge.

Your committee is of the opinion that those who are inspired by a real feeling of charity, and earnestly wish to see all Masonic charities under the control of Grand Lodge, can leave to the future and to their successors, questions of minor detail in the administration of the Grand Lodge charities, and therefore recommend that the above report be approved, that a copy duly certified be presented to The Masonic Home of Pennsylvania for their consideration, and that the Committee be continued."

This action was duly communicated to the Masonic Home of Pennsylvania, but the offer made was declined, and a communication received from them is in the minutes of the Quarterly Communication held December 1, 1915, when our Committee was discharged from further consideration of the subject.

This decision of the Masonic Home of Pennsylvania closes the door to any further steps on our part.

It is a source of sincere personal as well as official regret that the offer of Grand Lodge has been refused, but as they part from us, perhaps forever, we should say, as we close the book, "God bless you, and may His choicest blessings be your portion."

#### CONCLUSION.

To all those, who for the benefit of the Craft, have worked with me during the two years of my administration I am deeply grateful. The loyal sympathy that has been so uni-

versally accorded is sufficient testimony that that which has been done touched a sympathetic chord. It is a great work in which we are engaged, that of building up the enduring structure of human character; that of searching for the everlasting truths of human happiness and of passing them on to those bound to us by the bonds of the Mystic Tie.

May our Fraternity continue in the work, until all men are joined in one universal brotherhood in which strife is unknown, and peace forever abides.

So much of the minutes of the Quarterly Communication, held December 1, A.D. 1915, A.L. 5915, as relates to the election of Grand Officers and the Committee on Masonic Homes, was read.

The following Brethren were duly installed in their respective stations for the ensuing Masonic year, ending on Saint John the Evangelist's Day next, were thrice proclaimed as such, and received the salutations of the Craft :

Brother LOUIS A. WATRES,

*Right Worshipful Grand Master,*

Brother JAMES B. KRAUSE,

*Right Worshipful Deputy Grand Master,*

Brother JOHN S. SELL,

*Right Worshipful Senior Grand Warden,*

Brother ABRAHAM M. BEITLER,

*Right Worshipful Junior Grand Warden,*

Brother WILLIAM B. HACKENBURG,

*Right Worshipful Grand Treasurer,*

Brother JOHN A. PERRY,

*Right Worshipful Grand Secretary.*

## ADDRESS OF THE GRAND MASTER.

Right Worshipful Grand Master Brother LOUIS A. WATRES addressed the Grand Lodge as follows:

*Brethren:*

Grand Lodge is in its one hundred and thirtieth year.

Peering into our past—its struggles, its near defeats, and its victories—we see it to be resplendent with good works, and we are inspired to loftier service by the lives and the records of those who have preceded us.

Our present is gratifying. From a material viewpoint we have been abundantly blessed. Our resources are vast and run well into the millions.

Our future is full of promise, depending only upon our loyalty to Truth and our devotion to the high ideals of the Ancient Usages, Customs and Landmarks of our Fraternity.

We have deep cause for gratitude—and a pardonable pride.

If we entertain a spirit of the latter, however, let us have a care that it shall not be because of our large membership of 120,000, or of our 497 Lodges, or of our vested interests and resources of approximately four and a half millions, or of our sacred trusts amounting to over one and a half million, but rather because of the foundations upon which we rest, the Masonic virtues that govern us, the ties of brotherhood that bind us, the high character of the men who constitute the Craft in our great Jurisdiction.

We are jealous, and properly so, that physical perfection shall be insisted upon as a prerequisite to membership.

This is as it should be, and this insistence must not be relaxed.

But moral rectitude is far more important.

As is said in the Ancient Charge in Passing: “The

internal and not the external qualifications of a man are principally regarded by Freemasonry."

This thought is repeated in the Charge in Raising in the words: "Merit is the just title to our privileges."

I would rather a man be lame in both his feet, like Mephibosheth of old than that he should be morally lame—morally defective.

A note of warning should be sounded in this regard, lest our doors be thrown too widely open, lest Freemasonry be too cheap.

Instead of boasting of our large numbers and the annual additions thereto, it is far better that we shall increasingly continue to point with pride to the virtues and the character of our membership.

Great credit is due to the Instructors of our Schools. Their labors are fully appreciated. The Brethren who, by effort and sacrifice, have attended the Schools, have placed the Fraternity under obligations to them.

It is of inestimable value that the work shall be handed down in its purity and accuracy, and service along these lines must not be relaxed.

It is pointed out, however, that the time has arrived when greater effort should be put forth to bring out the real meaning of our work. Its purity of expression and lofty ideals need to be carefully studied and clearly understood, the better enabling us to work impressively, that the far-reaching lessons taught therein may make a deeper and more lasting impression upon those who are admitted. There must be no slackening of zeal as to the letter, but there should be added enthusiasm in laying emphasis upon the spirit of Freemasonry. It is true now as of old: "The letter killeth but the spirit giveth life."

It is a matter of sincere regret that the Ancient Charges have fallen into such inconspicuous use.

The deep lessons conveyed by them, the inspiration to be gained therefrom, make it our duty to call some of them back into action. In the letter of instructions prepared this day, which will be sent to the District Deputies, will be included directions providing that whenever a stated meeting of a Lodge shall be opened, the Ancient Charge for Opening shall be given, and when a stated meeting shall be closed, the Ancient Charge for Closing shall be said. Nor will it suffice that these Charges be read; they must be committed to memory by the Master and Wardens, and given with the same impressiveness and deliberation as any other part of the work.

It may be said by some that this will require much valuable time and become an old story. The same might be said of the Lord's Prayer, the Sermon on the Mount, the Ten Commandments, or David's beautiful and helpful Nineteenth Psalm.

Let the theme—the strong, dominant note of Grand Lodge and of each of the Brethren—for the ensuing year be the “spirit of Freemasonry.”

To carry out the letter of our work is important, but it sinks into insignificance when compared with the spirit of it.

This spirit cannot be purchased with an entrance fee.

Initiation into our mysteries does not make a Mason of a man. He must have the eternal principles of our Fraternity written in his heart and stamped upon his forehead. It is not enough that he should give the step; he must live the life.

It will not suffice that he can prove himself a Mason; he must, by his daily walk and conversation, demonstrate himself as a Brother.

It is not sufficient that he should own to a belief in the Holy Bible and in a Supreme Being; he should worship God and keep His commands.

What a mockery it would be if while acknowledging “The

Holy Bible as God's inestimable gift to man " we should fail, or refuse, or neglect to study its precepts! What a hollow pretense it would be to continually reiterate, " So mote it be," if the heart and the conscience should be out of tune therewith.

How empty, how like "sounding brass or a tinkling cymbal" it would seem, if, clinging to the word, we should lose sight of the meaning of the principles of Freemasonry!

As it is written in the Ancient Charge at Opening: "Let the genius of Freemasonry preside over our conduct, and under its sovereign sway let us preserve a nobleness and justness of understanding, politeness of manners and evenness of temper."

Brethren, all doors leading to the Grand Master's office have an inward swing.

Without the cordial coöperation of the Right Worshipful Past Grand Masters, the Grand Officers, the District Deputies, the several Committees and the Brethren, he would be a man both bold and indiscreet, who would undertake the multitudinous and important duties which accompany the exalted station of Grand Master.

I am glad to believe that if I shall merit this coöperation it will be freely given.

Let us therefore all unite, earnestly and consciously, to manifest the vital spirit and the highest, fullest, truest meaning of Freemasonry.
